

Notary Law Office is located at the rear of the Regional Court in Warsaw in Ogródowa 9, flat 19.

To make a notarial action, please visit our office or contact by phone or electronically. Employee of the office will provide appropriate explanations and tell what documents should be provided in order to make notarial action. After delivering the documents to the office and their verification will determine the deadline for the notary. Detailed information on the notarial acts performed in our office are in the Services tab.
